Personnel

Ms Joni Barnard is taking maternity leave next term till the end of November 2025. We wish her and her growing family all of the best during this exciting time. Certain changes and appointments had to be made in order to fill this vacancy. The SGB really tried our utmost best to disrupt the school and your child as little as possible. Ms Micayla Adems was appointed in Ms Barnard's departmental post. Ms Anri Louwrens, a very well-known former-teacher at De Aar High School, was appointed in Ms Adems' place. We would like to take this opportunity to thank all the staff at De Aar High School for their continuous hard work ensuring that your child is in the best school!

Parental involvement

We are seriously concerned about the lack of communication between parents and learners. We are fully aware of teenagers' resistance to authority and their lack of involving you, as parents, in their lives.

We however, appeal to you, to continuously pursue them and press your love and interest in their lives, on their hearts (even if they seem distant or unbothered).

Be involved.

Enquire about their friends and whereabouts.

Know where they are and set house rules.

Regularly check their Facebook/Instagram posts and cell phones.

Too often documents, correspondence, events of significance etc. go unnoticed by parents. Even though your child seems resistant, go sit with them on their bed, spend meal-times together and ask questions or just communicate care. Hug them. Love them. Be interested and involved in their lives.

Beheerliggaam

Die Beheerliggaam is steeds volstoom aan die gang en daar word deurentyd werklik gepoog om elke leerder se belange op die hart te dra. The safety and well-being of each and every learner is still very high on the agenda. Please ensure you communicate continuously with your child to motivate them to comply with the Code of Conduct and to utilize all the opportunities offered at De Aar High School to develop them holistically! Enige skool het 'n effektiewe en funksionele Beheerliggaam nodig. Hoërskool De Aar is voorwaar bevoorreg om 'n baie bekwame en gedrewe Beheerliggaam te hê. Hul is verbind tot die sukses van die skool.

Laatkommers

Baie dankie aan al die ouers/voogde wat sorg dra om toe te sien dat u kind betyds by die skool is. Daar is egter ouers/voogde/leerders wat nie hierdie verantwoordelikheid pligsgetrou nakom nie en gereeld die skool ontwrig deur laat vir skool te kom. Baie waardevolle tyd en energie word deur personeel op hierdie saak gemors.

Hoërskool De Aar se hekke word daaglik, **drie minute na die skoolklok aan die begin van die dag gelui het, gesluit**. Leerders wat uitgesluit is, gaan nie toegelaat word om die skoolterrein te betree nie.

Ouers wat ernstige probleme ervaar om u kind betyds by die skool te kry, weens omstandighede buite u beheer, kan die skool skakel tot vyf minute VOOR die skool 'n aanvang neem om reëlings te tref.

Finances

Thank you very much to all the loyal parents who pay their school fees regularly. The school is functioning within a tight budget and it is therefore very important that every role player does his/her part. We really appreciate your continuous commitment.

We would like to give you the working hours of Ms Myburgh and also the times during which pupils and parents can do payments. We plea with all pupils to make their payments before school. We do not want pupils to have money in their possession for the whole school day.

Ms Myburgh will work the following hours in order to manage a stampede: 20 minutes before the school starts. She will also be available when the school departs at the end of the school day. We urge all stakeholders to comply with these arrangements.

CARD SWIPE FACILITIES AVAILABLE

The SGB of De Aar High School is continually improving on their services to all parents. Card swipe facilities are available. We urge all parents to use this facility or pay by EFT in order to limit cash transactions. Please remember to use your reference number on your account.

Important notice and order arrangements in terms of the safety of all learners:

Signing out/Absenteeism of learners

1. Should a learner become ill during school hours, that learner must report to the secretary who will contact the learner's parents. **PLEASE NOTE** that the learners must be signed out physically at the secretary, only by the parent/legal guardian, unless arranged with the principal/secretary by the parent/guardian. Learners are not allowed to contact their parents/guardian themselves!
2. Should a learner make use of their own vehicle, the learner must still report to the secretary, who will contact the parent/guardian to obtain the necessary permission.
3. Should a learner have to leave the school premises for some other purpose/appointment, the parents/guardian must make arrangements with the secretary before the time, in order for the necessary administration to be completed. We request that you will, as far as possible, schedule doctor's or dentist's appointments **for the afternoon**.
4. Should a learner have a doctor's appointment during school hours, the parents/guardian must notify the secretary at least an hour before the time, so that arrangements can be made to avoid calling the learner during a period. The learner will be called from class at the end of the period closest to his/her appointment. No learner will be called out, unless arrangements have been made in advance with the secretary. The parent/guardian must still personally sign out the learner.

Parents must notify the secretary daily, should a learner be absent. Call at **053 631 3691**.

Afwesighede

Hoërskool De Aar se beleid ten opsigte van afwesighede word weer vir kennisname onder u aandag gebring:

- * Indien 'n leerder gedurende die kwartaal vir een dag afwesig is, moet die ouer die skool per brief of telefonies in kennis stel op dieselfde dag, of die eerste dag wat die kind weer skool bywoon.
- * Indien 'n leerder vir meer as een dag afwesig is, moet die leerder met sy terugkoms 'n mediese/dood sertifikaat voorlê. Hierdie verantwoordelikheid berus by die leerder en sy ouers.
- * Indien 'n leerder bogemelde vereistes nakom, sal hy/sy afwesig gemerk word vir deurlopende evaluering, indien nie, sal hy/sy nul kry.
- * Wanneer eksamens afgelê word (ook gedurende die kwartaal vir vakke soos tale, ens.), moet 'n mediese sertifikaat voorgelê word indien 'n leerder afwesig is, indien nie, sal die leerder nul kry vir daardie gedeelte van die werk.
- * Indien 'n leerder afwesig is vir goedgekeurde sportaktiwiteite, sal die leerder 'n afwesig kry en nie 'n nul nie.
- * 'n Leerder is self verantwoordelik vir die inhaal van werk wat tydens sy afwesigheid afgehandel is.
- * 'n Leerder wat die skool weens siekte verlaat, voordat die leerder vir 'n **tydperk van drie uur** skool bygewoon het, sal geag word afwesig te wees en die prosedure soos vir afwesigheid geld.
- * **SLEGS** 'n ouer of wettige voog kan 'n leerder gedurende skoolure in noodgevalle kom haal.

Parent Teachers' Meeting

The parent-teachers' meeting will take place on **4 August 2025**. Appointments start at **17:15** in the class rooms.

Appointments have to be made to prevent parents from waiting too long. These appointments can be made telephonically with the secretary from 25 July to 1 August 2025. You are welcome to discuss your child's progress with the teachers. You are also welcome to make an appointment with the principal at any time to discuss your child's progress or any other problems. If a specific teacher requires to have an appointment with you and your child, there will be a written **invitation** in your child's envelope. **This is a very important meeting**

as this is also an intervention strategy by the school, to intervene if your child might fail at the end of the year.

Although everyone is welcome, it is of the utmost importance for your child's future, that everybody who received an invitation, make an appointment, for the required subject areas.

Requirements for promotion in grade 8 and 9

A learner will be promoted only if she/he has met the achievement requirements for each of the learning areas. These amendments have been implemented as of June 2014.

Grade 8 and 9:

Een taal op Huistaalvlak/One Language at Home Language Level	50 %
Tweede taal/Second language	40 %
Wiskunde/Mathematics	40 %
Enige ander <u>drie</u> vakke/Any other <u>three</u> subjects	40 %
Enige ander <u>twee</u> vakke/Any other <u>two</u> subjects	30 %

Slaagvereistes vir graad 10 tot 12/Pass Requirements for grade 10 to 12

Die slaagvereistes vir graad 10 tot 12 word weer aan u deurgegee. U moet asseblief dringend hiervan kennis neem:

Een taal op Huistaalvlak/One Language at Home Language Level	40 %
Enige ander <u>twee</u> vakke/Any other <u>two</u> subjects	40 %
Enige ander <u>drie</u> vakke/Any other <u>three</u> subjects	30 %

Inhandiging van projekte Graad 8 tot 12 Tweede kanse/Projekte en take

Assesserings (gedoen binne klastyd)

Akademiese detensie word gesit vir:

1. Oningehandigde take (Die leerder sal slegs vrywaring hê indien die opdrag Donderdag ingehandig word, voordat die skool verdaag.)
2. 'n Tweede kans om punte te verbeter.

Akademiese detensie reëlins:

Ouers/voogde sal op 'n Donderdagmiddag per sms in kennis gestel word dat hul kind die volgende dag akademiese detensie het, d.w.s. die Vrydag. Die leerder sal 'n uur en 'n half sessie hê om die assesseringsaktiwiteit in 'n aangewese klaskamer te voltooi en sal daar bly vir die volle duur van die 90 minute. Indien die leerder nie hierdie sessie bywoon nie, sal hy/sy 150 punte ontvang.

Leerders wat onder gemiddeld presteer (onder 40%), word benoem vir die akademiese detensie. Die maksimum punt wat behaal kan word, is 50% vir Wiskunde en 40% vir ander vakke (in Wiskunde het leerders wat tussen 40 en 49% het, 'n keuse om hul punt te verbeter). Dit bly dus belangrik dat leerders met die eerste poging moeite moet doen om te verseker dat hulle goeie punte behaal. Leerders wat geweier het om die eerste poging te doen of in te gee, sal nie in aanmerking vir die herhaling kom nie.

Assessment (within class time)

Academic detention will be given for:

1. Tasks that are not submitted on time. (The learner will only have indemnity if the assignment is handed in Thursday, before school adjourns.)
2. A second opportunity to improve marks.

Academic detention arrangements:

Learners, who do not comply with due-dates, will be given Academic Detention. Parents/Guardians will be notified by sms on a Thursday afternoon, that their child has Academic Detention the next day, ie. the Friday. The learner will have an hour and a half session to complete the assessment activity, in a designated classroom, and will remain there for the full duration of the 90 minutes. If the learner does not attend this

detention session, he/she will receive 150 points.

Learners attend academic detention in order to improve their marks. If a learner obtains a mark lower than the average (ie. Mathematics under 50%, other subjects under 40%), such a learner is obliged to attend academic detention. However, the maximum mark to be obtained during such a session, is 50% for Mathematics and 40% for any other subject. Thus, it remains ideal that learners perform at their best, during the first assessment. If a learner refused to complete/or hand-in the assessment during the first opportunity, such a learner will not be taken into consideration for academic detention.

ADJUSTMENT TO DISCIPLINARY STEPS IN CLASSROOM

De Aar High School continually strives to maintain good discipline. We are always open to new ideas and techniques. Throughout 2021, we experienced problems with learners' classroom discipline and were forced to explore alternative methods. After thorough research and investigation, the School Governing Body has approved the following system, which was implemented from Tuesday, 26 October 2021.

The steps are as follow:

1. Warn learner with the word **'ONE'** for any disruptive offence in class.
2. Warn learner the second time with the word **'TWO'**.
3. Warn learner with the word **'THREE'** and let learner move to allocated seat in front of class, without textbooks or school bag. This serves as a "cool off"/ "collect yourself" moment.
If learner stops exhibiting poor discipline he/she can move back to original seat after 5 min.
4. If learner **does not stop OR refuses** to move, learner is punished with all three the following:
 - a) 150 marks - serious class disruptor
 - b) Class disruptors form is completed
 - c) Parents are called the same day by subject teacher
5. If learner transgresses with the same teacher (subject) twice in one week, then learner must meet with the grade head and teacher the first **WEDNESDAY** thereafter, after school.
Learner receives a notice to inform him and parents of appointment. Parents may also attend.

Graad 9-Oueraand – 19 Augustus 2025 om 17:15

Hierdie is 'n baie belangrike vergadering vir ALLE graad 9-ouers. Die doel is om u kind behulpsaam te wees met sy/haar vakkeuse vir graad 10. Dit is van kardinale belang dat u kind 'n realistiese vakkeuse moet maak vir graad 10. Die personeel betrokke by die onderskeie vakke, sal teenwoordig wees om u van raad te voorsien.

BOELIE BEWUSMAKING

Boeliegedrag, spesifiek gerig op sosiale media, is 'n tendens wat besig is om wêreldwyd toe te neem. Hier by Hoërskool De Aar verdra ons geen boeliegedrag in enige vorm nie! Elkeen, beide skolier en onderwyser, het die reg om veilig te voel. Die graadhoofde gesels deurlopend met leerders oor die invloed van afknouery, vals beriggewing en afbrekende optrede, teenoor mekaar.

Ouers word versoek om leerders te monitor ten opsigte van hul profiele, woordkeuses en plasinge op sosiale media. Dit moet geensins afbrekend en ontblotend wees nie en voorts liewer keurig-opbouend.

Te veel van ons skinder, terg, spot, verneder, gee byname en verstoot ander, dit alles sonder om eers te besef dat ons onself skuldig maak aan afknouende boeliegedrag. Voorts is daar ook diegene wat hulself skuldig maak aan lasterlike boodskappe, intimidasie, asook storieverspreiders op sosiale media.

Leerders of hul ouers is welkom om die graadhoof te kontak indien hul hulp benodig in hierdie verband.

Hoërskool De Aar streef daarna om 'n boelievrye gebied te wees.

Your Child's Safety and Well-Being

Your child's safety and general well-being is of utmost importance. Hence, we put the following pro-active measures in place. Do take note that all current disciplinary protocols and procedures do remain, as is. These are additional measures in order to support our learners and assist our educators in effective teaching and learning.

The School Governing Body and Management Team always strive to maintain effective education and the creation of a safe learner-friendly environment. Since we highly value these features, we will not leave any stone unturned in attaining exactly this. DAHS is on the frontline of schools taking lead, as it is fitting for a school of our stature. Hereby, we fulfil our mission and vision to remain a top-school in our province. We implement physical and psychological measures as support:

A. Physical Support

Measures additional to current disciplinary system:

- The school has acquired the services of a security firm and appointed guards. Isolated learners (See isolation class policy as adapted 2021) will be supervised in a separate class, by guards. School work will be provided in that class.
- Security will also be visible at entrance gates and on school grounds, as pro-active measure, to your child's benefit. Hereby we create an opportunity to every learner who wants to grasp this.
- Our current camera system was upgraded and monitored.
- The school can also regularly arrange searches and police raids, as preventative measure with breathalyser, metal detectors and the dog unit of the SAPS. These measures will provide assurance that your child is in a school-friendly, zero-tolerance environment.
- However, we do inform parents, that learners with prohibited substances and objects, will be searched and required to hand-in or face the consequences. Guards of the same gender will be conducting the search, in conjunction with a SMT member. If, there is any valid reason why your child may not be searched, a written request must be submitted to the principal. If this reason is justified, you will have to come in personally and your child will be searched in your presence, if reason of any suspicion arise. Your child will stay in isolation until you or your allocated person arrive.
- Furthermore, we maintain the status quo with regards to cell phones. (Grade 12s excluded) However, **NO EARPHONES**; not even for Grade 12. We have a zero-tolerance policy; however, many learners still bring cell phones to school. Hence, as from now a cell phone will be confiscated for two weeks, if seen/found on the learner. Cell phones are returned after the first Tuesday, of the second week. After the first week a learner can pay a fine of R200 to retain his/her phone.
- Lastly, our detention will be extended to two hour sessions, on a Friday. Learners must bring an academic textbook with, since work has to be done during this session.

B. Psychological Support

We are aware of the fact that many of our learners, families and even staff have been exposed to a number of severe challenges over the last few months. Thus, we cannot only focus on external factors. We are concerned about the general well-being of our learners' psyche as well. Therefore, we also manage to create a supportive network, with guidance and coping mechanism for whoever has a need in that regard. Learners are often a product of their circumstances and background. Reality is, proper support systems often lack and life is so fast paced that we often neglect this crucial aspect.

- The school has acquired the expertise service of an approved and qualified counsellor. She will be available on certain days, for our learners, at no cost to you. Appointments can be made via grade heads. A parent may also contact the school and request the support of the counsellor. We do emphasize that this may contain very sensitive information and it will thus be considered, as highly confidential.

- Furthermore, we also have the services of a qualified person at the Department of Social Development. She will conduct workshops on targeted topics, in small groups. For example: A learner who battles with impulsivity can be assigned to a workshop, for a five to six-week duration. It will be conducted after school as part of his/her detention or intervention programme.

All the above are measures of the SGB and management team to support your child both physically and psychologically.

We believe you will welcome these and make it a collaborative effort. If you have any further questions or objections, you are welcome to put this in writing for the attention of the principal.

Selfone en pornografie

Ernstige probleme word tans in skole ondervind met leerders wat pornografie op hulle selfone het, of wat toegang tot die internet het en pornografie besigtig. U sal werklik met u kind in gesprek moet tree rondom hierdie baie belangrike kwessie. Dit is nie net die ernstige oortreding van skoolreëls nie, maar ook krimineel van aard. Die SAPD is reeds in hierdie verband geskakel, en u as ouer kan verantwoordelik gehou word, asook krimineel aangekla word, vir die onverantwoordelike optrede van u kind.

Die kinderbeskermingseenheid van die SAPD kan gebruik word om te verseker dat leerders se selfone "skoon" is.

IKT- toestelle (nie van toepassing op graad 12 leerders nie)

Leerders mag nie IKT-toestelle gedurende skoolure in hul besit hê nie. Indien 'n IKT-toestel wel in 'n leerder se besit gevind word, sal die toestel afgeneem en in die kluis gebêre word.

Indien die toestel op 'n Dinsdag, Woensdag, Donderdag of Vrydag afgeneem word, kan die leerder die toestel oor twee weke se Dinsdag terug ontvang. Indien die toestel op 'n Maandag afgevat word, sal die leerder die toestel op die derde Dinsdag na die Maandag ontvang. **Leerders mag wel IKT-toestelle wat horlosies is, dra, MAAR gedurende ENIGE vorm van assessering moet die leerder dit bêre. Indien die leerder die IKT-toestel tydens eksamens of evaluering in sy/haar besit het, sal hy/sy nul vir die vraestel ontvang, asook 400 strafpunte.**

Geen onderwyser/die skool gaan verantwoordelikheid aanvaar vir 'n leerder se elektroniese apparaat/toestel nie.

Scarves, Beanies and Mittens/Gloves

Scarves may only be navy blue. The different first teams of the school may wear white scarves. The two colours are not allowed to be mixed. No variation or decorative features are allowed. The length of the scarf should not exceed 180 cm. Only official De Aar High School beanies are permitted and must be worn **with Winter Uniform**. They can be purchased from Mrs Miné Olivier. All accessories, mittens/gloves etc. are also allowed in school colours, only.

Afsprake by Verkeersdepartement

Die eksamen-/toetsreeksdatums word op die kwartaalprogram aangedui. Leerders wat in die tye afsprake by die verkeersdepartement het, sal nie geakkommodeer kan word nie. Hul sal 'n nul vir die toets/eksamen kry indien hul nie skryf op die voorgeskrewe tyd soos op die eksamenrooster aangedui nie. Byvoorbait dank vir u samewerking.

Appointments at Traffic Department

Examination dates are provided in advance on the term programme. Therefore, we cannot accommodate learners who make appointments at the traffic department during these times. Unfortunately, they will obtain a "0" for that given test/examination paper. All papers have to be written on prescribed times as indicated on timetable. We believe you will co-operate in this regard.

SPORT EN BUITEMUURS

Bodybuilding success

On 26 April 2025, Iviwe Ciko, a dedicated learner from De Aar High School, proudly represented her school at the prestigious Bloem Classic Bodybuilding Competition held in Bloemfontein. This event is officially recognised by the World Fitness Federation of South Africa. Competing in her age category, Iviwe impressed the judges and secured a well-deserved third place.

Her journey continued on 14 June 2025, when she took part in the Northern Cape Provincial Classic hosted in De Aar. Competing in both the glamour and sports model categories, Iviwe earned a third and fourth place respectively—an outstanding achievement on home ground.

Thanks to her remarkable performances, Iviwe has been selected to compete in the South African Championships, which will take place in Johannesburg on 30 August 2025.

Congratulations, Iviwe! We're incredibly proud of your hard work and success.

Redenaars

Hoërskool De Aar het vanjaar weereens deelgeneem aan die ATKV se nasionale redenaarskompetisie. Ons leerders het goed presteer, met vier leerders wat deurgedring het tot die semi-finale rondte. Ook hier het hulle hul uitstekend van hulle taak gekwyt en ons skool se naam hoog gehou.

Drie van Hoërskool De Aar se redenaars is in hulle onderskeie kategorieë onder die top-10 in die Noord-Kaap! In die kategorie, Graad 8 en 9, Afrikaans huistaal (voorbereid), het Shanen Koen 'n 4de plek behaal. In die kategorie, Graad 10 tot 12, Afrikaans huistaal (voorbereid), het Marco de Carvalho 'n 5de plek en Adriano de Carvalho 'n 7de plek behaal.

Hoërskool De Aar is voorwaar trots op hierdie uitmuntende redenaars!

Skaak

Die skaakspan van Hoërskool De Aar het in Mei 2025 hul uitsonderlike talent, strategiese vernuf en onwrikbare toewyding in twee belangrike kompetisies ten volle bewys. Hul merkwaardige suksesse het die skool en die breër gemeenskap met trots vervul.

Hopetown Kompetisie (17 Mei 2025)

Tydens hierdie toernooi het die span in twee afdelings uitgeblink en met hul skerp insig en ywer medaljes ingepalm. In die o.15-afdeling het Ryan Boucher 'n bronsmedalje verower, Cherise April 'n silwer in die sak gestee, en Caelyn Ngudle die goud vir die afdeling geëis. Die o.17-afdeling het ook rede tot viering gegee: Patrick Kitengye het met 'n brons presteer, Alrique May het sy aansien met 'n silwermedalje versterk, en Mbuyiselo Jnr. Madyo het sy briljante vaardighede uitgelig deur die goud te wen.

Spartan Bishop Interstreektoernooi, Kimberley (23–25 Mei 2025)

Die span se toewyding was duidelik by hierdie kompetisie sigbaar. Die belowende Kyle Oberholzer het 'n bronsmedalje in die o.16 Elite-kategorie ingepalm. In die Shield Maiden-kategorie het Cherise April, Caelyn Ngudle en Swazi April elkeen 'n bronsmedalje behaal, wat die span se kreatiewe krag onderstreep het. Thami Madyo het sy bekwaamheid in die o.20 Warrior-kategorie bewys met 'n silwermedalje. Selfs die afrigter, Mnr Johnny Hattingh, het sy staal getoon deur 'n silwermedalje in die Parents Elite-kategorie te verower, wat die kragtige samesmelting van ervaring en jeugtalent illustreer.

Hierdie oorwinnings beklemtoon dat skaak nie net 'n spel van diep denke, volharding en dissipline is nie, maar ook dat puik afrigting en samewerking deurslaggewend is vir oorwinning. Die toernooi het die beste spelers uit verskillende streke byeengebring, en Hoërskool De Aar het hul aansien bevestig.

Danksy hierdie uitslae is die span 'n bewys dat harde werk en passie, selfs die grootste hoogtes kan bereik. Al bring die toekoms nuwe uitdagings, bly hulle 'n inspirerende voorbeeld van wat toewyding en oefening kan vermag.

Hokkie

Tydens die April skoolvakansie, het die eerste hokkiespan aan 'n opwindende hokkietoer in Bloemfontein deelgeneem. Dit het nie net hul vaardighede verskerp nie maar, ook kameraderie onder die meisies bevorder.

Die Elsie Coetzer-toer het oor vier dae gestrek, vanaf 4-7 April. Ons het afgeskop met 'n intensiewe oefenkamp in gure weersomstandighede. Vriendskaplike westryde teen skole van reg oor die land, het die meisies se vaardighede kwaai getoets. Hier het die spelers nie net hul tegniek geslyp nie, maar ook waardevolle ervaring opgedoen en goed voorberei vir die liga-seisoen wat daarna sou volg.

Hierdie toer het nie net bygedra tot fisieke ontwikkeling nie, maar het ook karakter gevorm. Ons sien uit na 'n suksesvolle seisoen met 'n span wat nou sterker, meer gefokus en hechter as ooit is.

Meimaand was propvol aksie vir ons hokkie, met twee belangrike wedstrydgeleenthede wat spangees, uithouvermoë en vaardigheid tot die uiterste beproef het.

Op Saterdag, 17 Mei het albei spanne na Kimberley gereis vir 'n wedstryddag teen Kimberley Girl's High en Hoër Tegniese Skool Kimberley. Ons meisies was in hul element en die volgende uitslae is 'n bewys daarvan. Die eerstespan wen albei hul wedstryde oortuigend met 4-0 teen Kimberley Girls High en 10-0 teen Hoër Tegniese Skool Kimberley. Ongelukkig het ons tweedespan 3-0 verloor, maar ons is reg vir die volgende wedstryd.

Op Saterdag, 24 Mei, het ons eerste hokkiespan 'n opwindende tuiswedstryd teen Vaalharts gespeel. Ons spelers het van die begin af hul staal gewys en goeie samewerking op die veld getoon. Die wedstryd was taai, maar ons span het met deursettingsvermoë en slim spel, hul man gestaan. Die Arende stap weg as wenner van die dag met 4-0.

Die gees op en langs die veld was uitstekend. Ondersteuners het hul teenwoordigheid laat voel en die spelers elke tree van die pad aangemoedig.

Netbal

Gedurende die laaste week van kwartaal 1 het ons 1ste netbalspan 'n afrigtingskursus, aangebied deur Dorette Badenhorst, by Sun City bygewoon. Behalwe vir die heerlike ontspanning in die Valley of the waves, is baie goeie netbalervaring opgedoen.

Nege van ons spelers is by die Pixley ka Seme netbalproewe gekies om deel te neem aan die Noord-Kaap Diamante proewe. Op Saterdag 26 April word drie van ons spelers opgeneem in die Noord-Kaap All Ages spanne. Baie geluk aan Taylor van Tonder, o.16, Ndimphuvuyo Wonga, o.15 en Lubulele Hlomela, o.14. Hierdie spelers gaan gedurende die Junievakansie in Boksburg deelneem.

In die Pixley ka Seme liga vaar ons spanne baie goed en al vier dring deur na die Wennersdag wat op 14 Mei gehou word. Verskeie wedstryde word op hierdie dag gespeel. Die o.14 en o.15-spanne tree albei as wenner van die dag uit die stryd. Die o.14-span wen in die finale teen Hoërskool Douglas en die o.15-span wen hul finale teen Hoërskool Hopetown. Ons o.17-span verloor ongelukkig in die finale teen Douglas met een doel. Die eerstespan speel goeie netbal, maar kon ongelukkig nie daarin slaag om die finale te bereik nie.

Op Saterdag 31 Mei speel die drie spanne te Upington in die Noord-Kaap uitspele. Al drie spanne vaar baie goed. Die o.14-span verloor slegs een van hul poelwedstryde en dring deur na die semi-finale waar hulle gelykop speel teen Hoërskool Douglas. In ekstra-tyd verloor hulle ongelukkig met 1 doel. Die o.15-span vaar ook baie goed en eindig vierde in die Noord-Kaap. Die o.17-span wen al hul poelwedstryde en kom te staan teen Hoërskool Diamantveld in die semi-finale. Hul eindig derde in die Noord-Kaap.

Ons speel ook in die Medium-skole liga en speel ook verskeie vriendskaplike wedstryde gedurende die kwartaal. Op die stadium is ons o.14 en o.17-spanne verseker van 'n plek in die kwarteindrondte vir die Medium-skole liga. Die finale uitspeelrondte vir die liga is teen Hartswater met ons interskole op 26 Julie.

Karate

Three learners from De Aar High School-Tshiamo Mashishi, Leenay de Vos, and Olereko Mjandana-represented the school with pride at the Free State JKA Provincial Karate Championships held in Bloemfontein on Saturday, 29 March 2025.

Tshiamo achieved outstanding results, earning a silver medal in Kata and a gold medal in Kumite. Leenay received a bronze medal in Kata, while Olereko secured a silver in Kata and a bronze in Kumite.

Their success continued at the National Karate Championships in Johannesburg on 23 May 2025. Tshiamo once again stood out with a silver medal in Kata, Leenay took home a bronze in Kumite, and Olereko earned another silver medal in Kata.

Congratulations to these talented karatekas for their dedication and exceptional performances!

Pom-pom dancers

Our cheerleaders play a crucial role in enhancing the atmosphere of the games, promoting school spirit, and supporting the rugby team. The cheerleading squad performed at various rugby matches this term, showcasing a variety of routines that included cheers, dance, and stunts. Their performances were well-rehearsed, energetic, and popular with both crowds and players.

The cheerleading squad's presence at rugby matches has positively impacted team morale and audience enjoyment. Their efforts not only lifted the spirits of the rugby players, but also created an electrifying atmosphere that was enjoyed by all attendees. #ProudEagles!!!

Rugby

Die rugbyseisoen vir kwartaal 2 het vir ons spanne met groot opgewondenheid begin. Die Onder 15-span het drie wedstryde gespeel en daarin geslaag om een daarvan te wen. Hoewel die uitslae nie heeltemal was waarop ons gehoop het nie, het die spelers deurentyd goeie gees, vasberadenheid en samewerking getoon. Ons is trots op hul volharding en sien uit na verdere groei en verbetering in die volgende kwartaal.

Die o.17-span het die kwartaal op 'n hoë noot begin met 'n kragmeting teen Middelburg. Na 'n taai wedstryd het hulle daarin geslaag om die wedstryd met 26–12 te wen. Hierna het hulle ligawedstryde teen Hopetown en Vaalharts gespeel en albei wedstryde oortuigend gewen, boonop met bonuspunte. Die span het uitstekende samewerking en vaardigheid getoon, en hul prestasie is 'n inspirasie vir die res van die skool se rugby.

Die 1ste span het 'n wipplankseisoen beleef deur twee van hul vier wedstryde te wen. Hierdie gemengde uitslae maak dit uitdagend om vir 'n tuis kwarteindronde te kwalifiseer. Die span sal egter 'n belangrike wedstryd teen Hartswater aan die begin van kwartaal 3 moet wen, en dit met 'n bonuspunt, om dié doelwit te bereik. Ons is vol vertroue dat die seuns, wat aan verskeie rugbytoere gedurende die Junie-vakansie deelneem, wedstrydfiks sal bly en gereed sal wees om sterk terug te keer.

Sportgroete

Toutrek

Hoërskool De Aar se toutrekkers het tussen 21 en 22 Maart 2025 aan die Suid-Afrikaanse Junior Toutrek Kampioenskappe in Mosselbaai deelgeneem. Dit was 'n opwindende geleentheid waar hulle teen van die land se topspanne meegeding het in verskeie gewigskategorieë. Deur harde werk, ure se voorbereiding en uitstekende spanwerk, het die leerders hul staal gewys en puik gevaar. In die 520 kg gemengde afdeling het De Aar vierde geëindig uit nege spanne, terwyl die 480 kg dogterspan vyfde uit tien spanne behaal het- 'n prestasie waarop die hele skool trots kan wees.

Verder het vier Hoërskool De Aar-leerders van 12 tot 14 Junie 2025 aan die SA Senior Ope Klubkampioenskappe in Kimberley deelgeneem: Phillip Wiid, Zanri Dumas, Lumieke Fourie en Ohann Diedericks. Hulle het met groot toewyding meegeding en besonder goed gevaar. 'n Hoogtepunt was dat Zanri Dumas gekies is om die SA Gazelle-span te verteenwoordig in 'n internasionale klubkompetisie op 15 Junie 2025 teen lande soos Ierland, Pole, Engeland en Zimbabwe.

Hoërskool De Aar is trots op al sy toutrekkers wat hul skool se naam met hoog gehou het!

VCSV/UCSA

The UCSA had a blessed term. We are grateful for the weekly opportunities to share good news to our scholars and we inspire to make a difference, however small it might be, in and around the school.

Daily we work to bridge the gap by providing fruit to those in need through our 'Apple-a-day' project. We are grateful to anonymous donors. We also have sandwiches and soup and basics we distribute. God provides this and we help each other - life is fragile and what we have is grace alone.

Die ACVV het kom optree en gesels oor 'Woede en die Hantering daarvan' en ons het ook 'n gesellige 'Sing Songs' gehad.

Ons sien uit na Kwartaal 3 se Madiba Stap!! Word solank fiks.

SGB INVESTS IN MOTIVATIONAL SPEAKER

The well-known radio personality from Baasraak Radio, Freek Vermaak, visited De Aar High school this term. His message was clear. God can turn around the Underdog to become a TOP DOG!

From his own testimony he encouraged learners to hold on and not lose faith. Whether at home, at school, with academics or bullies, whatever the case may be, there is always the possibility to rise. He referred to his own life, one of being labelled, mock, bullied and raised in poverty, but.... BUT GOD!

He encouraged learners to forgive, to believe and to do right even when no else, does. That way, you can become a top dog!!

We are always grateful for opportunities like this, where our learners are encouraged by role models outside of school, who give real-life examples on how to navigate everyday life.

Learner Support Services

We are most in debt to Mrs Z Makaleni, our school's social worker and counsellor. She visits the school weekly and supports many of our learners. She has great passion and is a real listener. The learners benefit greatly from her wisdom and most willingly visit her for advice. These services are strictly confidential and are yet another support mechanism for our learners, in need. Feel free to contact the school if your child is in need of support.

Tienerselfdood: Trauma, tekens en terapie

Gemeenskappe is die laaste tyd geruk deur selfdood van talle tieners. Tienerselfdood is aan die toeneem en 'n hoë risikogroep is beslis ouderdomme tussen 9 en 18 jaar.

Dit is belangrik dat dreigemente ernstig opgeneem word en dat tieners moet weet dat selfdoodgedagtes nie die oplossing is nie. Ouers moet weer op hul beurt besef dat tieners alles in oortreffende trap beleef. Hetsy 'n verhouding opbreek, 'n geliefde sterf, ouers baklei of die tiener afgeknou word, dit beïnvloed hul emosies radikaal. Die gebrek aan die verstaan van 'n tiener se leefwêreld, veroorsaak donker stiltes en skep afstand.

Skep gehaltetyd saam en gee aandag aan u tiener. Eet saam rondom 'n tafel, vra na mekaar se welstand, en al gee die tiener 'n ontwykende, kil antwoord, hou aan met uitreik en ondersteuning. Wees bedag op gedragsprobleme, gemoedskommeling en wesenlike veranderinge, byvoorbeeld in vriendekringe, kleredrag of gewoontetjies.

Ontmoedig partytjies en verhoudinge met ouer en nie-skoolgaande jeug. Verhoed dat u kind deur sosiale media ingesluk word. Handhaaf u huisreëls al skop die tiener daarteen, byvoorbeeld veilige inkomtye. Uit ons ervaring by die skool, is dit juis in middernagtelike ure dat die afskuwelike krisis plaasvind.

Ons is terdeë bewus daarvan dat tieners weens hormone, groepsdruk en ontwikkelingsfases stormagtig optree en ons besef ouerskap kan uitdagend wees. Staans vas - dit gaan ook verbygaan en dan sal u die vrug van u moeite pluk. (Sien "Ouerskap/Selfdood-Maroele Media")

HSDA SPRINGBOK

BOAN VENTER, 'n oud-skolier van Hoërskool De Aar en SA skole rugbyspeler 2015, is na die SA springbok rugby span oefengroep, opgeroep vir die wedstryd teen die Barbarians. Hoërskool De Aar en die dorp is voorwaar trots op Boan se besondere prestasie. Boan speel tans in Skotland vir Edinburgh rugby waar hy gekontrakteer is.

Mission

The top school in the province, with a strong shared ethical value system which attracts learners through our ability to be inclusive while equipping them with both academic and healthy life principles, in order to step into the professional world effectively.
We attain this through innovative problemsolving and improvisation and co-operation of all the stakeholders.

Missie

Om dié topskool in die provinsie te wees met 'n sterk waardesisteem wat leerders lok deur ons vermoë om op 'n inklusiewe basis, ons leerders holisties te ontwikkel, om sodoende effektief tot die volwasse beroepswêreld toe te tree.
Ons doen dit deur innoverende probleemoplossing met die samewerking van alle belanghebbendes.

Vision

A leading multi-cultural and dual-medium educational institution of excellence, that provides education of a Christian nature to equip young people to be assertive in all sectors of the South African society.

Visie

'n Toonaangewende multikulturele en dubbel-medium onderwysinstelling van uitnemendheid wat opvoedende onderrig met Christelike waardes lewer, en jongmense toerus om verantwoordelik te wees in alle sektore van die Suid-Afrikaanse samelewing.
